Dear Mr. Devraj Gurung,

Thank you for your instructions. We are delighted to have the opportunity to act for you and trust we can bring your instructions to a satisfactory conclusion.

**WHO IS DEALING WITH YOUR CASE?**

---

My name is Rupak Paudyal and I will be handling your case. I am authorised to provide immigration advice and services at **Level 1** in the categories of **Asylum & Protection and Immigration**.

---

**INSTRUCTIONS**

---

Following our discussion on 10th September 2024, and after your enquiry on 8th August 2024 (ENQ797), I am writing to give you details about your immigration application to the UK under the Appendix Gurkha entry clearance process.

Here are the key points of your case:

1. You: Arun Limbu, born 16th July 1980.
2. Current Location: Dharan Sub-Metropolitan City Ward No.18, Sunsari District, Koshi Province, Nepal.
  - You have lived here for 44 years. This address refers to a ward, not a property. It has been your registered residence since birth. You are staying rent-free at a friend's house in

the same ward.

3. Your Family:

- Father: Ambar Bahadur Limbu, born 1st January 1945, a former British Army soldier (joined 28th November 1959, discharged 24th September 1970).

- Mother: Sobha Rai Limbu, born 19th May 1953.

- Both your parents were granted settlement in the UK on 11th November 2014, and it was activated on 10th December 2014.

4. Marital Status: You were married to Dipti Rai (born 1st November 1980). The marriage happened on 18th May 2011 in Sunsari, Nepal. It ended in divorce on 16th May 2023 at the Sunsari District Court, Nepal.

5. Children: You have one child, Namsang, born 30th August 2011. He lives with his mother in Sikkim. You see him every six months when possible.

6. Current Employment: You work as a sports trainer for children, focusing on boxing and swimming. You earn about NPR 20,000 per month when there is work. The work is irregular. You train kids three days a week—Monday, Wednesday, and Friday.

7. Travel History: You have only left Nepal to visit India for personal reasons. Your passport from 2006 was lost in Kathmandu. It was originally made because of your participation in boxing, though you never used that passport to travel.

8. Sponsor Information:

- Your father, Ambar Bahadur Limbu, is in the UK and lives at 65 Royal Military Avenue, Folkestone, CT20 3EG. Due to his age and health, he cannot return to Nepal. Your sister, Amrita Subba, also lives in the UK and has cared for your parents since 2018. She successfully appealed and received permission to stay in the UK.

- Your father has health issues, including a blood clot in his brain and hearing difficulties. He communicates with you through Viber.

Fees: Our fees for this service are £1,200. This only includes support for your application. Once the application is made, any further work will require a separate agreement.

Note: I have explained clearly that your application does not meet the rules and will likely be refused. We are following your instructions to complete and submit the application. We will consider it successful once the application is made. The outcome and the further process after the outcome are not covered by this client care letter.

To proceed with your UK visa application under Appendix Gurkha, you must sign the client care letter and give your GDPR consent as mentioned at the end of this letter. We can start working on your case only after we receive these documents.

We are committed to helping you with your visa application and look forward to receiving the required documents to move forward.

Further documents are requested with this client care letter which can be sent to us either via email or posted at our address below.

I have also advised the application decisions may take longer, and the published guidelines suggest 3 - 6 months and priority application being decided within 6 weeks from overseas and 24 hours upon biometric enrolment in country which attracts additional charges.

I confirm that based on the information you have provided; we believe that you are eligible to apply for **Appendix AF - LTE, Gurkha Adult Dependent** application and we can bring the application to a satisfactory conclusion.
